

Please stay out Indiana state telemarketing law. It's law for the people NOT for telemarketing I can home hard at and be pester to death UNWANTED telephone calls. If you to see that telemarketer have a wright to call you. Then they should be the one paying ours telephone bills . When State of Indiana started anit-telemarketing law it cut back on 99.9% on unwanted phone call it's GREAT!!! So please keep out of telemarketing Ruling leave to the states.
